ABOUT ME

I was born on October 17, 1998. I am passionate about technology, art and sports. Dedication and commitment are two factors that define me.

One of my biggest motivations is to learn. That's why I started in a self-taught way, reading books and looking for computer tutorials.

I enjoy attending developer meetings, conferences, workshops and sharing knowledge. The best place to work is where I can constantly improve myself.

WORK EXPERIENCE

FULLSTACK WEB DEVELOPER
2024 - Current | SODEP S.A.

FRONTEND WEB DEVELOPER
2023 - 2024 | Zataca Systems / Leg S.A.
- Developed user interfaces following specifications and designs provided by the design team at Figma.
- I carried out maintenance and updating of the web application to ensure its correct functioning and continuous improvement.
- I created and optimized web app documents, including contracts and invoices, meeting the quality standards expected by clients.

TEST ANALYST
2021 - 2023 | WPG S.R.L.
- I collaborated with the development team and product owner to understand the system requirements and ensure acceptance criteria were met.
- Designed and developed detailed test cases to test new software features and functionality, ensuring thorough coverage of system requirements.

SECRETARY - OFFICE TOOLS TECHNICIAN
2018 - 2021 | CenterLab | Environment and Technology

TECHNICAL SUPPORT - CALL CENTER
2017 - 2017 | Sion / CIDESA
